## FOR IMMEDIATE RELEASE

### State Route 29-Calistoga to Napa/Lake County Line

*Daytime One-Way Traffic Controls*

*Fire Recovery Work*

*Until June 2018*

**NAPA COUNTY**— The California Department of Transportation (Caltrans) is continuing repair work on sections of State Route 29 (SR-29) in Napa County affected by last October's Wine Country Fires. The repairs could be completed as early as mid-June 2018.

The work includes drainage work, ditch clean-up and guardrail repair on northbound and southbound SR-29 between Calistoga and Lake County.

#### **One-Way Traffic Controls on SR-29**

To ensure public and worker safety, one-way traffic controls will be in effect during the work on various sections of SR-29 between Tubbs Lane in Calistoga and the Napa/Lake county line.

Crews will alternate lane closures in both northbound and southbound directions. This will allow one traffic lane on SR-29 to remain open during the work. The daytime work will be performed on SR-29 north of Calistoga. Regular work hours are Monday-Friday 7:00 AM until 3:00 PM each day. Flaggers will help direct traffic.

All work is weather permitting.

Motorists should expect delays and allow for extra travel time.
